Dear Committee Members

## **Redistribution of Federal Electoral Boundaries in the Australian Capital Territory**

The Weston Creek Community Council (WCCC) welcomes this opportunity to contribute to the public consultation process on the potential redistribution of Federal electoral boundaries in the Australian Capital Territory.

The WCCC has been actively involved in Weston Creek as a consultation conduit for the local community since 1991. The WCCC is a non-political, voluntary lobby group representing the residents of Weston Creek and is an informed, active and pragmatic contributor to public debates in Weston Creek. Our website ([www.wccc.com.au](http://www.wccc.com.au)) has further details about the WCCC.

Of primary importance to Weston Creek residents is the electoral integrity of our district. There is a very strong belief within our district that Weston Creek is a distinct and generally homogeneous community. We are a single community of interest. Our community strongly believes that this electoral integrity and community cohesiveness must be maintained in any potential future redistribution.

Therefore, the WCCC strongly argues, that if the Redistribution Committee needs to change any boundaries of the Federal electorates in the Australian Capital Territory, the district of Weston Creek remain wholly within one of the electorates.

Yours faithfully
